Dear Mr. Lubinski:

It gives me great pleasure to formally welcome you as a Surveyor Ally in the U.S. Environmental Protection Agency's Green Lights Program.

Enclosed is a signed copy of the Green Lights Surveyor Ally Memorandum of Understanding, the basic agreement detailing your role and responsibilities as a Surveyor Ally, as well as a certificate recognizing you as a Surveyor Ally. The directory of Surveyor Allies will list you at the address provided on your MOU.

The EPA Green Lights Surveyor Ally Program represents a truly exciting opportunity for professionals like yourself to gain recognition and to demonstrate a commitment to preventing pollution, while saving money for your organization and clients. Green Lights proves that government and industry can work together to improve the quality of the air we breathe, enhance the nation's energy security, and increase its competitiveness.

We look forward to working with you — and to a cleaner environment as a result of your participation in EPA Green Lights. The Green Lights Ally Hotline is available for your questions and concerns at (202) 293-4527.

Sincerely,
